

Riverview Members Match Play Tournament

Hello Members,

In addition to the current tournaments scheduled (listed on the website) we would like to add an additional event this year, a member Match Play Tournament. It has been many years since a match play event has been available to our members and it is our hope that the event will grow each year.

The event is an open to to all members. Based on the number of members that sign up, we could have a men's division and a women's division. If the number of women golfers is low then we will have everyone compete in one division.

- **Women will play from the Red Tee's**
- **All Seniors will play from the Yellow Tee's**
- **All other golfers will play from the White Tee's**

Handicaps will be based off the Tee's being played and will be at **75% of your RCGA handicap.**

Every player will have a minimum of 2 matches as the event will be a double knock out, which means you have to lose twice to be eliminated. The Tournament bracket will be in the member section of the website as a link and will also be posted in the clubhouse. Upon completion of the match please complete the match play form (located in the Pro shop) and provide it to the Pro Shop staff to enable the bracket to be updated.

The Bracket will be updated within 24 hours of time a match is completed and the match form turned into the Pro Shop.

Each match will have a timeline to complete to ensure the event finishes before the end of the season. Please respect these timelines as they will impact the next matches.

This event is to promote camaraderie and fellowship and most important to have fun. The winner of the event and the runner up will get their name on a trophy.

The Rules and the draw will be provided when all entries are submitted.

Registration will end on April 30, 2019 Matches will begin the week of May 6, 2019 Please register in the Pro shop.

Cost of the event is FREE for this year, and we will be soliciting people/companies for naming rights to the tournament.
